Principal's Message:

October was a wet and often cold month but that didn't dampen our energy and spirit at RDS! Lots of great things were experienced and accomplished this past month. I want to say a huge thank you to the RDS staff for what you do each day. The "extras" that you do for students are greatly appreciated and they make a huge difference. Thank you as well to the many community members that give of their time and energy to support our students.

Our local RCMP and Volunteer fire fighters from Rawdon and Gore helped RDS staff as we practiced a number of very important safety drills this past month. Students

had an opportunity to practice our Code Black (evacuation), Code Red (fire) and Code Blue (Hold and Secure). Students were very well behaved as local RCMP helped us relocate to the Fire hall. Students also very much enjoyed learning about fire safety and seeing first hand the equipment used by our fire fighters.

We continue to work very hard on our Student Success Plan and we will be sharing our Mathematics and Literacy goals and the strategies to help support our students growth at our next SAC meeting. Everyone is welcome to attend!

Halloween day our students participated in a dance in the gym—they rocked it—Well done!

Students have been working hard at following our PAWS expectations and many of our students were celebrated in our monthly assembly. We are so proud of all our students and their contributions to our positive school environment. We look forward to celebrating more students throughout the year.

Virtue of the Month: Courage

Courage - Is bravery in the face of fear. You do the right thing even when it is hard or scary. When you are courageous you don't give up. You try new things. You admit mistakes. Courage is the strength in your heart.
