Happy New Year!

We were oh so happy to see our students again on January 17th! All students and staff members have been working very hard this month.

We have welcomed Miss Dawn Marie, who is filling in for Miss Leanna. Her email is galgaydm@ccrce.ca.

We have been able to go sledding almost every day this year! What fun!

Students will receive a healthy treat on Valentine's Day! Thank you to Ms. E and the Home and School!

A Few Reminders...

- *Please continue to send your students with lots of outdoor gear so that they can bundle up and enjoy the outside!
- *Please send a water bottle with your students so that they can use the water fill station. There are no fountains available.
- *Students often need more than one mask throughout the day. It is a great idea to have an extra in their backpack.
- *Please do not drive around the school unless it is the end of the day and the busses have left. At all other times during the school day, there may be students in the schoolyard and we want to guarantee their safety. Thank you!
- *Rapid testing kits will be sent home each week as we receive supply. If your student has symptoms, please check <https://covid-self-assessment.novascotia.ca/en> for information regarding testing, and when they can return to school.
- *If your student(s) would like to give Valentines to their classmates, please ensure that they bring enough for everyone in their class. We are asking you to please send them in on Feb. 11th so that none are forgotten on Feb. 14th!
